

## Mesa, Globe, Punkin Center, and back to Mesa

### Written Directions

East of Phoenix/Mesa on US 60, past Gold Canyon, Queen Valley and Top of the World to Globe. Then west on AZ 188, past Roosevelt Lake and Tonto Basin to Punkin Center. to Beeline Highway (AZ 87), and southbound home to Mesa.

### Scenery ★★★★★

Excellent views of Roosevelt Lake and Tonto Basin driving west from Globe. No place to stop for pictures.

### Road Quality ★★★★★

Mild corners and terrain on mountain road most of the way. This is cruising at its best. Open road, not much traffic.

### Roadside Amenities ★★☆☆☆

Okay restaurants. Good camping in Roosevelt Lake area. Not many places to stop, but that's not what I'm after.
