Arbitration. The parties agree that this transaction involves interstate commerce, and that instead of litigation in court, any dispute, controversy, or claim arising out of or related to this agreement, including formation of this agreement, the repairs performed by the Dealer, any representations or statements regarding the repairs, or fees of any kind charged in connection with the repair is subject to mandatory arbitration. You agree that you will not serve as named plaintiff in a class action or otherwise act in a representative capacity with respect to a claim against Dealer which is subject to arbitration hereunder, and that you will not attempt to consolidate claims in arbitration. The arbitrator shall be an attorney or retired judge selected by Dealer, with your consent. Each party shall equally share the arbitrator's fees and other expenses of arbitration (apart from attorney's fees) unless the arbitrator orders otherwise under applicable law at the conclusion of the arbitration. The Dealer shall, upon your request, advance the first \$500 of your share of the cost to arbitrate. Each party may take a maximum of two depositions and may serve limited requests for documents, subject to the arbitrator's discretion. The arbitrator's decision shall be final and binding. The arbitrator's award may be entered in any court of competent jurisdiction, except that no award shall be enrolled in any court if the award of the arbitrator is paid or satisfied within 90 days of the award. Customer has read this Repair Agreement and acknowledges receipt of a completely filled-in copy of this Repair Agreement.
